MINUTES OF THE 134th MEETING OF EMPOWERED COMMITTEE UNDER MULTI-SECTORAL DEVELOPMENT PROGRAMME HELD ON 21.09.2017 UNDER THE CHAIRMANSHIP OF SECRETARY, MINISTRY OF MINORITY AFFAIRS.

The 134th Meeting of the Empowered Committee (EC) for Multi-sectoral Development Programme (MsDP) was held on 21.09.2017, under the Chairmanship of Secretary, Ministry of Minority Affairs to consider and approve the project proposals with regard to the Minority Concentration Blocks/Towns received from State Governments of Uttar Pradesh. The representatives of the Ministry of Drinking Water & Sanitation, Ministry of WCD, NAWADCO, Ministry of Human Resources Development, Ministry of Skill & Entrepreneurship and NITI Aayog were present during the meeting. The Pr. Secretary to Govt. of Uttar Pradesh alongwith State Official and district officials were present during the meeting through video-conferencing. The Joint Secretary & Financial Advisor of the Ministry was also present during the meeting.

2. **Progress on website:** The progress of implementation of MsDP is reported on quarterly basis to the Delivery Monitoring Unit (DMU) in PMO (Prime Minister's Office) and the status of implementation of various projects in terms of funds released by the Ministry of Minority Affairs and utilized by the State/UT; number of works sanctioned, completed and works in progress is regularly monitored. These details of works are placed in the Ministry's website for transparency. State Governments/UT Administrations are required to review the implementation on quarterly basis; ensure that Central funds are released to the districts within one month of sanction; State share (wherever applicable) released along with the Central funds; ensure that the executing agencies start the construction works at the earliest, and complete the construction works within the scheduled period.

3. **Adhering to guidelines and eliminating duplication:** States/UTs should ensure that the proposals sent have the approval of the State Level Committee of MsDP / Mission Director of CSS concerned in order to ensure that the proposal, in terms of specification, norms, standards etc., is in accordance with the guidelines of the scheme concerned and that duplication has been ruled out. The responsibility for eliminating duplication of work and avoiding double counting of a scheme under two funding sources vested with both the district authority and the State Government. Accounts under MsDP should be maintained separately and Central Ministry concerned informed of assets created in respect of CSS topped up under MsDP.

4. The States/UTs were advised by the Empowered Committee to ensure that the catchment area of the assets created under MsDP have substantial minority population. Further the States/UTs would also ensure that the ownership of the asset created would be with the Govt/Govt body.

- 5 **Centrally Sponsored Scheme (CSS) guidelines:** MsDP provides that there would be no change in guidelines of any existing Centrally Sponsored Scheme (CSS) under implementation in such districts for which this programme would provide additional funds. Whenever CSS are sanctioned under MsDP, it shall be ensured by the Ministry of MA as well as the State Govt. that the Ministry/department concerned in the Centre and State are informed so that the number of units taken up are accounted in their physical register and are also inspected by their officials wherever spot inspections are carried out in the States.
6. **Timely release of funds:** The sanction letters of the Ministry stipulate that funds should be released to the district/implementing agency within a month's time, but the States/UT have been generally taking much time in releasing funds to the district/implementing agency. State shares, wherever applicable, are not released along with the Central funds by some States. Prompt release of funds was advised to ensure that works are started at the earliest.
7. **Utilization Certificate:** For release of second installment, utilization certificate (UC) is required. If the UC is furnished within a period of one year after release by the Ministry, 60% UC would be required for releasing the next installment. However, if utilization is made beyond the period of a year, 100% utilization would be necessary. The UCs would need to be accompanied by QPR showing physical progress as proof of the work in progress. The Utilization Certificates of the 2nd and subsequent installment should also be submitted by the States/UTs to the Ministry.
8. **Sample testing and quality control:** Quality control was to be ensured through regular and frequent field visits and by testing samples of the construction work for which funds would be sanctioned by the Ministry on receipt of request from the State concerned. All the States/UTs were advised to carry out field visits, quality control tests and review all works under MsDP to ensure that the shortcomings do not take place in their State/UT.
9. **Inclusion of Members of Parliament in State and district level committees:** Members of Parliament (MP) and Member of Legislative Assembly (MLAs) have been included in the State and district level committees for implementation of the Prime Minister's New 15 Point Programme for the Welfare of Minorities which also serves as the committee for MsDP. MLAs are also to be nominated on the Committees by the State Government. It should be ensured that they are invited to attend the meetings of the district and State level committees.
10. **Foundation laying/inauguration ceremony & Display boards:** The States were requested to inform the Ministry about the completion of works and also the readiness for foundation stone laying well in advance so as to enable the Ministry to participate at appropriate level in the foundation stone laying and inauguration ceremonies in respect of projects sanctioned under this scheme. As provided in para 16.1(ii) of the scheme of MsDP it should be ensured that a 'display board' with name of the project printed followed by "Multi-sectoral Development Programme (MsDP), Ministry of Minority Affairs, Govt. of India." For projects with longer construction period, in addition to above, the name of implementing agency, date of sanction of the project, likely date of completion and estimated cost of the

h. Mishra

project should be printed on the display boards. States/UT should ensure this during the time of construction and a permanent display put up on completion of each project.

11. General conditions applicable to projects approved by the Empowered Committee for approvals given by the Empowered Committee, including in-principle approvals, the Principal Secretary/Secretary of State's/UTs and the District Collectors/representatives were advised to note that the following conditions would apply to all projects under MsDP. State Government/UT administration concerned should ensure that the following have been complied with:-

Approval of the State department concerned/Mission Director for Centrally Sponsored Scheme (CSS) concerned have covered the following -

- (a) **Need** for having the proposal sanctioned under MsDP.
- (b) Duplication has been eliminated.
- (c) Proposal is as per norms, specifications, layout design, funding norms and cost norms of the CSS guidelines concerned.
- (d) **Separate accounts for schemes under MsDP will be maintained** and details sent to the Central Ministry concerned for maintaining proper record of assets and avoiding double counting and duplication.
- (e) Estimates have been prepared as per Schedule of Rates (SOR) of the State Government and have been approved by a competent engineering department of the State Govt.

- (h) Land is available and/or will be made available by the State Government in villages/locations having the highest proportion (percentage) of minority population.

12. **Review meetings of Oversight committee in State and district level committees:** The scheme of MsDP envisages quarterly review meetings by the State and district level committees for implementation of the Prime Minister's New 15 Point Programme for the Welfare of Minorities which also serves as the review committees for MsDP. The State level committee also acts as the Oversight Committee for MsDP. Quarterly review meetings for State level committee/State Oversight Committee and district level Committee should be held and copy of the meeting notice should be sent to the Ministry to enable a representative to attend State Level meetings as envisaged under MsDP. It should be ensured that Members of Parliament nominated in such Committees are invited to attend the meetings.

h. Mishra

13. **Photographs:** Photographs of completed works and works in progress indicating type of asset, name of location/village and date should be sent by email to tshubhendu.ss@nic.in.
14. **Provision of toilets and bathrooms:** The EC emphasized that there should be adequate number of toilets and bathrooms and provision of water in the proposed projects.
15. The Chairman (EC) emphasized that the benefits accrued by the implementation of MsDP should go to the Minority Communities properly. Therefore, not only location of the assets in the areas having substantial minority population is important, but it is also equally important to see that the assets created are actually imparting benefits to the minorities. The State Governments were impressed upon to propose the locations of projects under MsDP accordingly.
