**MINUTES OF THE 69<sup>th</sup> MEETING OF EMPOWERED COMMITTEE UNDER MULTI-SECTORAL DEVELOPMENT PROGRAMME HELD ON 22<sup>nd</sup> AUGUST, 2013, UNDER THE CHAIRMANSHIP OF SECRETARY, MINISTRY OF MINORITY AFFAIRS.**

The 69<sup>th</sup> Meeting of the Empowered Committee (EC) for Multi-sectoral Development Programme (MsDP) was held on 22<sup>nd</sup> August, 2013, under the Chairmanship of Secretary, Ministry of Minority Affairs, to consider and approve the project proposals with regard to the Minority Concentration Blocks (MCBs)/Minority Concentration Towns (MCTs) received from State Government of Uttar Pradesh. The representatives of the Ministry of Health & Family Welfare and Ministry of Labour & Employment attended the meeting. The Officials from State Government of Uttar Pradesh attended the meeting through video conferencing. A list of officials present in the meeting is annexed as Annexure - I.

2. **Progress on website:** The progress of implementation of MsDP is reported on quarterly basis to the Delivery Monitoring Unit (DMU) in PMO (Prime Minister's Office) and the status of implementation of various projects in terms of funds released by the Ministry of Minority Affairs and utilized by the State/UT; number of works sanctioned, completed and works in progress is regularly monitored. These details and photographs of works are placed in the Ministry's website for transparency. State Governments/UT Administrations are required to review the implementation on quarterly basis; ensure that Central funds are released to the districts within one month of sanction; State share (wherever applicable) released along with the Central funds; ensure that the executing agencies start the construction works at the earliest, and complete the construction works within the scheduled period. A computer software application called MIS-MsDP has been made operational in July, 2011 and the States/UT have been advised to ensure that data is entered by all concerned so that Quarterly Progress Report (QPR), utilization certificate and various progress reports is generated through the software.

3. **Adhering to guidelines and eliminating duplication:** States/UTs should ensure that the proposals sent have the approval of the State Level Committee of MsDP / mission director of CSS concerned in order to ensure that the proposal, in terms of specification, norms,

standards etc., is in accordance with the guidelines of the scheme concerned and that duplication has been ruled out. The responsibility for eliminating duplication of work and avoiding double counting of a scheme under two funding sources vested with both the district authority and the State Government. Accounts under MsDP should be maintained separately and Central Ministry concerned informed of assets created in respect of CSS topped up under MsDP.

4. **Centrally Sponsored Scheme (CSS) guidelines:** MsDP provides that there would be no change in guidelines of any existing Centrally Sponsored Scheme (CSS) under implementation in such districts for which this programme would provide additional funds. In case schemes for individual benefits are taken up under the programme, there shall be no divergence from existing norms for selection of beneficiaries from the list of BPL families in the district, so that benefits from the additional funds flow to all BPL families and not selectively. However, the provision under Indira Awas Yojana (IAY) guidelines for making separate allocation for Scheduled Castes (SC) or Scheduled Tribes (ST) will not be followed under MsDP. The entire number of units sanctioned under MsDP would be given to BPL households, from minority communities as well as other communities, in order of the serial number in the approved wait list without making separate allocation for Scheduled Castes (SC) or Scheduled Tribes (ST).

4.1. **Aganwadi Centre:** Where ever Aganwadi Centre has been approved, it should be ensured to follow the norms of Ministry of Women and Child Development that the minimum area of AWC would be 600 sq. feet with a sitting room for children/women, separate kitchen, store for storing food items, child friendly toilets and space for children to play, with drinking water facility.

5. **Timely release of funds:** The sanction letters of the Ministry stipulate that funds should be released to the district/implementing agency within a month's time, but the States/UT have been generally taking much time in releasing funds to the district/implementing agency. State shares, wherever applicable, are not released along with the Central funds by some States. Prompt release of funds was advised to ensure that works are started at the earliest.

6. **Utilisation Certificate:** For release of second installment, utilization certificate (UC) is required. If the UC is furnished within a period of one year after release by the Ministry, 60% UC would be required for releasing the next installment. However, if utilization is made beyond the period of a year, 100% utilization would be necessary. The UCs would need to be accompanied by QPR showing physical progress, photographs as proof of the work in progress and the phasing of funds for the release sought. The Utilization Certificates of the 2<sup>nd</sup> instalment should also be submitted by the States/UTs to the Ministry.
7. **Sample testing and quality control:** Quality control was to be ensured through regular and frequent field visits and by testing samples of the construction work for which funds would be sanctioned by the Ministry on receipt of request from the State concerned. All the States/UTs were advised to carry out field visits, quality control tests and review all works under MsDP to ensure that the shortcomings do not take place in their State/UT.
8. **Inclusion of Members of Parliament in State and district level committees:** Members of Parliament (MP) and Member of Legislative Assembly (MLAs) have been included in the State and district level committees for implementation of the Prime Minister's New 15 Point Programme for the Welfare of Minorities which also serves as the committee for MsDP. MLAs are also to be nominated on the Committees by the State Government. It should be ensured that they are invited to attend the meetings of the district and State level committees.
9. **Display boards:** Para 19 of the scheme of MsDP provides for a 'display board' which should have— Name of the project/scheme printed followed by "Multi-sectoral Development Programme (MsDP), Ministry of Minority Affairs, Govt. of India." For projects with longer construction period, in addition to above, the name of implementing agency, date of sanction of the project, likely date of completion and estimated cost of the project should be printed on the display boards. States/UT should ensure this and put up a permanent display on completion of each project.
